Volunteers Wanted. I have been running the Village Show with help from the Village Hall Supporters' Group for 9 years and would like someone else to take the lead after show number 10. That would be in 2021. If someone or a group of people would like to take over the lead and continue running a Village Show that would be great. I can explain how I have planned things but of course new people may have different ideas about what to do and how to do it. Please contact me if you are interested in taking over.

and rules of entry will be available in June in paper form or to download from the parish council website in May.
